

## **SEN (Special Educational Needs)**

New SEND Code of Practice came into effect 1st September 2014 and applies to Willersey C of E Primary School.

Please click on the links below to find more information.

Our Special Educational Needs Coordinator (SENDCO) is Mr Mark Jackson and our SEND Governor is Mrs Polly Gabb. If your child is unable to fully access the curriculum, then special arrangements can be put in place. All children with any sort of Special Need are monitored closely and have a My Plan. These are updated at least once a term and parents are invited in to discuss progress and how pupils can be helped at home.

Our Special Educational Needs Policy is available from the school office and our website.

The school can meet the needs of all four categories of identified need:

- Communication and interaction
- Cognition and learning
- Social, emotional and mental health difficulties
- Sensory and/or physical needs

Willersey C of E Primary School staff and Governors are committed to the promotion of equality. This involves tackling the barriers which could lead to unequal outcomes so that there is equality of access and the diversity within the school community is celebrated and valued. It is our belief that equality at our school should permeate all aspects of school life and is the responsibility of every member of the school and wide community.

Please see the Equalities Policy for details of the provision and accessibility details.
