

Information and guidance - useful links:

Education, Health and Care Plans outline the support a child will receive in school.

These plans bring together Health, Education and Social Care in one document with statutory accountability. The design of the plan ensures that all of a pupil's needs are identified and provision is put in place.

The SEND code of practice is available to download at the bottom of the page. The Willersey Primary School's SEND policy can be found on the policies area of our school website.
