<b>Thurs</b>	8am Breakfast Club		
<b>Fri</b>	8am Breakfast Club		

## Class 1

### English

In English, we're continuing with Little Red Riding Hood. This week, the children have been learning how to turn speech bubbles into full speech sentences using the correct punctuation. They've also written some brilliant character descriptions using expanded noun phrases and had great fun creating 'Wanted' posters for the Big Bad Wolf!

### Maths

In maths, we've started our new unit on Time. This week, the children have focused on telling the time to the hour, half past, and quarter past. Do encourage them to practise telling the time at home to help consolidate their learning.

### History

In history, we're continuing our unit on the first moon landing.

The children have been ordering the key events and even role-playing what it might have been like to walk on the moon! Next week, we'll be learning about the life and achievements of Katherine Johnson and her vital role in the moon landing, as well as Valentina Tereshkova, the first woman to travel into space.

*Mrs Warren and the Class 1 Team*

## **Class 2**

We are very impressed with the effort the children are putting in at swimming, listening carefully and improving week on week. In PE the children have been playing small tactical games involving batting and catching.

The year 6 visited the Cathedral in Gloucester to celebrate their time in primary school. The children represented the school in various activities and we gain had a pupil stand up in front of the whole cathedral to do a reading...Well done to all the year 6.

After completing a letter and newspaper article, we will be using My dad's a Birdman to write some poetry next week.

We have heard that some of the children have already started completing their Victorian project, they sound full of information. This week we have looked at Victorian school life and modern medicine compared to Victorian medicine. One suggested remedy from Victorian times was to hold a potato against your ear, can you guess what the medical problem may have been?

### **Pupil review - Lucy and Walter**

This week we have done some enjoyable work like making our own posters on something we like. For swimming this week we have done some very lovely and fun activities which the children have probably told their parents all about. In English we have been learning about the book My dad's a Birdman. Mr Callaghan has been really impressed with our work and would love to inform you that the class are very good and well behaved.

Class 2 Team
