Class 1

‘The Evil Pea’

In English, we have been focusing on writing instructions with the theme ‘*How to Trap the Evil Pea*’! The children have been busy creating step-by-step guides to capture their own mischievous food or vegetable villains.

Maths

In Maths, we have moved on to multiplication, learning about making equal groups to build a strong foundation for times tables.

History

In history, our *Great Fire of London* topic has been particularly exciting this week! The children have enjoyed learning songs like *London’s Burning* and *Let’s Rebuild Our City* to help reinforce their learning. They also put on their architect hats, designing plans to rebuild London in a way that would make it safer from future fires.

Over the next few weeks, we’ll be learning more about how the event unfolded and creating models of houses from the time.

Class 2

'The Butterfly Lion' and Art

The Butterfly Lion by Michael Morpurgo.

As we learn more about how Bertie and his White lion they were separated, with the twists and turns of his life in our story, Bertie has met a young girl called Millie who enjoys flying kites.

We took this idea and made our very own kites last week. We took them to the playing field and had a wonderful afternoon getting our kites flying. We are using the craft experience to write detailed instructions.

Maths

In Maths, we have completed Perimeter. Looking at polygons and rectilinear shapes. We used perimeter to work on our problem solving skills.

Australia

We have explored the Daintree rainforest in Geography. Its history is fascinating and it is so old that it may have once had dinosaurs roaming through it.

Ten Pin Bowling Event

Willersey CofE Primary School were invited to take 2 teams of 6 to Tenpin Gloucester as part of the Cotswold Tenpin Panathlon Bowling Event from St James's Place Charitable Foundation against other local school teams last Friday.

Willersey CofE Primary School did very well and achieved 2nd place in the challenge.

Friends of the School

School Administrator

As you know, Miss Paula Folkes has been our school administrator since January and she has been looking after the office very ably over the past weeks. I would like to take this opportunity to thank her for her hard work.

Mrs Carol Brooks has been appointed as our permanent school administrator from Monday 24th February. We are looking forward to welcoming her. She is looking forward to meeting everyone and joining the Willersey team!

For the first week back after half-term, Ms Folkes and Mrs Brooks will be working together in the office so that there is a good handover.

Parent Internet Safety session

Don't forget that there is the parent internet/online safety session on Monday 24th February at 3:30pm. We have supervision for your school child/ren if required (with school staff) if you would like to attend. The session will begin at 3:30pm and lasts for 1 hour and 15 minutes. It has been very popular in other schools and covers very important information about keeping safe online. The session is led by Simon Williams from Gloucestershire Police. You don't need to book to attend.
