Class 1

‘The Evil Pea’

This week, we’ve been busy writing our own Supertato stories! With a new villain on the scene, ‘The Naughty Nugget’, the children came up with creative and exciting ways for this mischievous character to cause trouble. We are so impressed with their fantastic writing and can’t wait to share their stories with you.

Maths

In maths, we’ve been practising adding and subtracting two 2-digit numbers and focusing on exchanging 10 ones for 1 ten.

History

In history, we’ve started learning about the Great Fire of London. The children have compared what London looked like in the past to how it looks now.

Over the next few weeks, we’ll be learning more about how the event unfolded and creating models of houses from the time.

Class 2

'The Butterfly Lion'

The Butterfly Lion by Michael Morpurgo. We have reached a very exciting point in our story where Bertie, our main character, has saved a Lion cub.

In English we have written a letter to Bertie's father as if we are the character. We have expressed our worries and concerns about letting a Lion cub with no mother out into the wild. The children have worked hard to extend sentences and add detail to their writing.

Maths

In Maths we are working on measurements and converting from mm to cm and cm to m.

Australia

We continue to receive wonderful homework from the class, from boomerangs to paintings, tourist leaflets to posters on The Great Barrier Reef.

The children have been exploring different Types of coral and are beginning to look at both human and environmental factors that are causing harm to reefs all over the world.

Science

After exploring fossils, how they are formed and where we might find them, we will be moving onto looking at soils in Science.

P.E.

Tennis continues to be our focus sport in PE.

Art

Last Friday in Art we sculpted figures out of clay.

Dogs Trust

We enjoy our friendly links with the Dogs Trust.

We have been invited by our friends at the Dogs Trust to take part in a fun fundraising event on Friday 7th February. This event will take place in school during the normal school day.

This is a 'pilot event' that the Dogs Trust are trialling and we have been invited to help.

This event is called 'Re-home a toy' and helps us to think about the important work that the Dogs Trust do in re-homing dogs to a loving home.

An email has been sent to all parents/carers and a letter which outlines the event and how to take part in the 're-home a toy' has been sent home with the pupils this week.
