Class 1

‘The Evil Pea’

We’ve had an exciting start to the term as ‘Evil Pea’ from Supertato caused chaos in our classroom! The children were shocked to discover vegetables taped around the school, and they’ve been busy creating wanted posters to capture this mischievous character. In our writing, we’ve focused on character and setting descriptions. The Evil Pea even made a surprise appearance at forest school! The children had great fun making Supertato crafts using real potatoes and designing traps with construction toys to capture the pesky pea.

Maths

In maths, we’ve been working on addition and subtraction.

Science

In science, we’ve been exploring our senses. The children enjoyed experiments to see how tasks are affected when their eyes are covered, and we took a sound walk around the school.

Next week, we’re looking forward to investigating taste and touch!

Class 2

'The Butterfly Lion'

This week we have created a display using both art and writing all about our story The Butterfly Lion by Michael Morpurgo. We have reached a very exciting point in our story where Bertie, our main character, has saved a lion cub. The children have worked really hard with their writing and we are very proud of what they have achieved.

Maths

In Maths we have completed work on multiplying and dividing numbers by 10,100 and even 1000. We have also had Mr Ede visit and bring his fantastic puzzles for us to try and solve.

Australia

Australia is our new topic and we have had some fantastic homework projects from Coral reef posters to Boomerangs.

Maths Workshop

We had a visit from Mr Ede and both Class 1 and Class 2 enjoyed the maths puzzles exploring shapes and sizes.

Dogs Trust

We enjoy our friendly links with the Dogs Trust.

The Dogs Trust invited us to name a couple of puppies who were soon to arrive with them.

Class 1 chose 'Oscar,' and Class 2 chose 'Rocket.'

We hope they will be very happy at the Dogs Trust and in their new home!

We were very privileged to be given this important task.
