Class 1

Although we have been winding down for the end of the academic year, we have certainly kept the learning going! We were delighted to welcome the Vice Lord-Lieutenant of Gloucestershire, Richard Bradley, who came to talk to us about his role, which dates to the time of Henry VIII, linking perfectly with our recent history learning. The children were fascinated to hear about his responsibilities and were particularly inspired by the awards he presents to people who have shown great bravery. They also enjoyed learning a little more about the Royal Family.

Our English lessons linked closely to this special visit. The children thought carefully about questions they would like to ask Mr Bradley and, following his visit, wrote thank-you letters to show their appreciation.

In our final week, the children designed their own smoothies and wrote instructions explaining how to make them. Of course, the best part was getting to make and taste them! The smoothies we ended up making were of bananas, strawberries, blueberries and mangoes.

What a fantastic year it has been! We are so proud of all the children and everything they have achieved. We hope everyone has a wonderful, restful summer and wish our Year 2 children the very best of luck as they move on to Class 2. We hope you have a lovely summer!

Class 2

Residential

We all had a great time; the food was brilliant. We enjoyed rafting, climbing and went on a huge swing that sent us high into the trees. We also got to do a sensory trail where we were blindfolded going through the woods.

Back at school we made some delicious flapjacks and went down to forest school to use clay and make some models.

Friends of the School

There's been a delay in production for the Tea Towels. If you want yours as soon as they arrive, please let Robyn know, or they can be handed out on the first day back.

Thank you
