Class 2

This term so far, we have had our Open Day. I got to tour potential parents around with Dexter and Darcie. There were some left over cakes so we got to have one each.

We have got our TT rockstars login and it has been very fun. In maths we are going to be focusing on multiplication and division this whole term until Christmas.

In English we have been focusing on a girl called Sarah who lives with her mum and dad in the countryside. We are picking some words from the text and spelling them in our handwriting books. Some words are: Beautiful, parents, kind and whole. We are making sure our handwriting is neat and spelling of key words is correct.

We ran in PE to practice for next week's cross country. Our PE teacher, Mr. Jones, set up a course for us to run on. There were two groups that we were put into. There was one where we ran for two minutes then walked for two minutes then we would repeat it for fifteen minutes.

We also played floorball and drew one and lost two. The players were all girls and they were Maggie, Violet, Alice, Darcie, Crystal and me...Lucy.

By Lucy and Evelyn.

Farewell

Sadly I shall be leaving my post next week as the School Administrator. I haven't been at the school for very long and not met all of the parents, but have been given the unexpected opportunity of a bit more travelling with my husband during his semi-retirement!

Willersey has been the most welcoming workplace and really is a lovely school. The staff/governors/FOS are passionate about everything they do and the children are always polite and lovely to talk to. I was particularly impressed by how much a smaller school can offer children and what an asset the school is to the village. Thank you all and have a lovely Xmas and New Year. Mrs Carol Brooks
